

Political Education Resources on Policing & Alternatives

Curated by SURJ-Faith

This is a list of powerful resources you can use to learn about policing and its alternatives. If you are sharing resources with your chapter, congregation, and/or others, please be sure to credit the original sources as listed below to avoid appropriating the work of people of color without attribution. If you appreciate a source, please consider making a financial contribution to the livelihood of its creator, especially if that creator is a person of color.
